

MENTIRAS (HISTÓRIAS MAL CONTADAS) ✓
Entre

Entre histórias mal contadas

Ficou tanto por dizer

Tantas noites mal passadas

A tentar adormecer

REFRÃO (2x)

Digo ao longo as vozes

que me ^{querem} tentam seduzir

Tento convencer

A ficar e não partir

Refrão (2x)

Um dia os sonhos virão

E nesse dia cá estarei

A viver numa ilusão

Que ao certo nem eu sei

REFRÃO:

(FORAM TANTAS AS MENTIRAS
QUE EU QUASE ACREDITEI)

NOT YOUR FAULT (INTELLECTUAL INTERCOURSE)

When I look deep inside
I can see it in your eyes
~~That~~ you're ^{so} sick and tired
Of living such a lie

It's hard for you to show
That you have feelings too
It's hard to make a statement
With all the guys chasing you

Chorus (2x)

It's not your fault
Being so pretty
It's not your fault
Being so cool

you'd like to be judged
By the words that you say
And that ~~people sometimes~~ ^{they} forget
How good you look today

Living on a fashion parade
It's not enough for you
Don't they realize
That you have feelings too?
(Chorus 2x)

PARASITE

S.O. -

I don't want to find a way
I'd rather stay here and smoke all day
I don't mind if everything's the same
All I care is my COMPUTER game

I know that's not ok.
I know that's not alright
I don't care what they say
I like to be a parasite

Chorus:

Parasite, Parasite
Doing the best I can
Parasite, Parasite
That's what I am

I don't care about society
I live in my own reality
It feels so good to be high
I'm so happy living this lie

I know all the names of the soccer team
I remember all the matches that I've ever seen

I know that's not O.K.

I know that's not alright

But I'm happy living this way

And I like to be a parasite

Chorus (2x)

Feeling bad

Avoiding fear

Here I am

Drinking beer

Spinning like a clock

Spinning like a wheel

Hard as a rock

Tough as steel

This bottle is empty

Bring another, Bring another.

A Derradeira Jogada

Perante a insensatez do destino.
Caminho de olhos vendados
Como um palhaço no fim da noite
Que sente os dias contados

Encaro com indiferença
As críticas que me fazem sofrer
Reparo que estou sozinho
Não tenho nada a perder

Hoje é o dia, comece o jogo
Anda a chama deste meu fogo
A morrer, que seja de pé
Sem medo ou qualquer fé

Não tenho o ás de triunfo
Mas não jogo para perder
Neste jogo que é a vida
Todos podem vencer

DARK LONELY RIDE

Everything seemed so wrong

When I lost all my pride

I've bought a one-way ticket

To a dark lonely ride

I will make my final journey

I won't come back anymore

~~My dignity vanished away~~ I hope you understand

Nothing is like before

I know you won't understand agree

with
All the reasons for my ride

But if you are my friend

You'll stand by my side

Take my hand, close your eyes,

Through ^{this} my dark lonely ride

We'll forget all the lies

And commit suicide.
